ALUMNI

CELESTE ARCOS
ALUMNI 2016

Attending Royals College was the best decision (a part from surrendering my life to Christ) I have ever made. It was the strong foundation of theology and scripture that has strengthened my understanding and knowledge of God, the Trinity and His Word.

This foundation alongside surrender and personal intimacy with Christ has allowed me to flourish now as I lead and serve at Hillsong Melbourne. I thank the teachers and preachers for pouring love, revelation and personal discipleship into every student.

If you want to unlock your full God-given potential dedicate just one year to hear what God has in store for you. It will change your life!

SARAH STANFORD
ALUMNI 2014

In 2014 my Bible College journey began, seeing me complete a Certificate IV in Leadership, as well as a Diploma in Ministry. Looking back over these years I can now see it was my ordained time to grow and learn specifically in my faith and understanding of who God is and how we combine faith, God and working in our community as Christ's ambassadors.

I had many life altering moments throughout the two years. God used this time to shape me, heal me and set me free. I remember hearing, "it's not about me, it's about who is coming through me". This understanding shifts us into more purposeful living pointing people back to Jesus constantly.

Bible College helped me to sift through my thoughts and heart by pointing me to truth in His Word, allowing me to relearn from a biblical perspective.

I walked out of College with a greater confidence in my faith and understanding of who the Father is, what Jesus came to do and how the Holy Spirit is a dynamic partner of the Trinity.

Bible College was a life defining season and has lead me to further study a Bachelor of Psychological Science.

During Bible College I developed skills and tools that can be used in everyday life whether it be at home or work. In order for us to fulfil the call God has placed on our lives, we must dedicate time to growing, learning and committing ourselves to the process.

TESTIMONIES

SHARON FITTLER
GRADUATE 2017

To my surprise my Royals College journey began in 2017, it was not something that I had planned to do, I honestly thought I wouldn't be able to cope with the work load associated with Bible College. I thought I wasn't smart enough to study and I had some pretty reasonable excuses not to, up until that time I had juggled a family of ten children, a cafe, a conference centre and my husband Scott and I were the Senior Pastors of Destiny Church, Atherton. After an amazing Sunday Service at Royals I took a leap of faith and signed up for college. I can truly say it was one of the most fulfilling years in my Christian walk thus far. I have gained more knowledge and have gone onto complete another two Diplomas since then. I feel much more confident now in my role as a Senior Pastor and better equipped for the journey ahead.

FRED MUNDRABY
GRADUATE 2017

I never thought I'd go back to a classroom to study, ever, but God lead me there with a purpose. To show me that discipline comes in many forms. I am a former Australian Boxing Champion and I've always known that hard work and training pays off, if you're willing to commit. When God spoke to me about doing Bible college, he showed me that this was a way of training my spirit man, so that I could advance the Kingdom the way He wanted me to. It was hard. There were many times I wanted to quit. But God got me through every challenge! I believe that I am a better leader now because of this step of faith and because I trusted God. It's changed my life and more importantly my relationship with God has deepened because of this experience. I am truly grateful for my time at Royals College.

SOPHIE PITT
GRADUATE 2017

My first year out of school, in 2017 I began Royals College, studying a HE Diploma of Leadership with Alphacrucis College. Little did I know that this would be a life changing year. First hand I experienced that the One we trust will break open doors when we obey His call. The kind-hearted people I shared the classroom with amazed me. We grew from each other, valued each other and glorified God together. I truly enjoyed the knowledge, insight and wisdom the lectures imparted to the class. As we grew together, I became confident in who I am in Christ and now have the courage to step out and love people in need. Royals College was an experience that won't be easily forgotten. It has prepared me for what I am called to do. I now absolutely love getting involved in different areas within the church, to see the world around me influenced for God and for good.
