# our summer

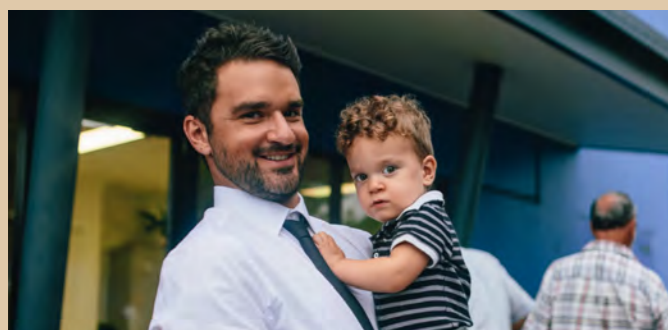

JANUARY 2020 UPDATE

# ministries at royals

## MENS

We champion the strength and leadership of men and who God created them to be as pillars in the Kingdom, their families and the community.

Our men meet for monthly for breakfasts and BBQ's and at times join with our Mareeba Campus for fellowship and ministry.

## WOMENS

We believe in placing value on womanhood. We have therefore created a place for intimate connection, conversation and companionship.

Our girls gather for weekly bible studies during the school term and have special celebration events throughout the year.

## YOUNG ADS

Our young adults are experiencing a different take on life and their walk in Christ as they enter their new found independence as adults. This is a space of encouragement, friendship and fun where our young adults are guided to grow and prosper during this exciting phase of life.

Young Ads get together fortnightly for connect and are involved in annual conference and other major events throughout the year.

## YOUTH

Our youth are the energy, passion and vibrance of Royals Church. They are banding together to navigate what it means to be a teen who's serving God. They are living life loud guided by awesome leaders who show them Gods way and how to live it out in this modern world.

The youth team host a dynamic Friday night program during the school term and attend Youth Alive gatherings as well as other major events and conferences throughout the year.

## LITTLE ROYALS

Our mini Royals make Royals church feel like a true family! Always cute and sometimes rowdy, they are todays church and tomorrows leaders. They are being trained in all things relating to the Kingdom from a young age as God has shown us to train up a child in the way they should go.

Our mini Royals meet weekly for Sunday School and enjoy learning about God through various activities, music and crafts. They also are star performers at many Royals events.

## CARE

Royals Care is the community focused branch of Royals Church.

We provide emergency relief and support to our community through food parcels, meals, hospital visits, prison visits and breakfast programs.

Be apart of our team to help those in need.

## CREATIVE

Worship holds a place of high importance at Royals church. Its expressed in many forms such as singing, music, dance and design and has many supporting components such as sound, lighting, media and comms. All of this is to see God glorified and for Him to have the time and place to speak to us and move in our midst.

Creative team meets fortnightly for training and encourages those with talent in this field to come with a willing heart to serve and be a part of this creative community.

## SERVICE TEAMS

We love making anyone who walks through our doors feel at home. So we have made multiple spaces available for you to serve on a Sunday. This includes our; host teams, cafe, hospitality team, ministry team, prayer team and altar team.

Don't mis out, be counted in those who help others find their home here at Royals.
